MEMORANDUM FOR : Special Action Staff, OSA

SUBJECT : Requirement for TDY Personal Equipment
Technicians at Detachment G

REFERENCE : dtd 11 March 1968

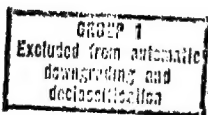

1. The reference message indicates that a requirement exists for 2 PSD specialists (personal equipment technicians) from SAC to receive training at Detachment G from 8 July through 23 August 1968. Because of a maximum U-2R flight training effort in the period from June through September, which includes training of 4 SAC pilots, Detachment G's Life Support section will require 3 additional personal equipment technicians on a TDY basis for this period.

2. It is therefore requested that action/coordination be taken to have Davis Monthan AFB (SAC) send 3 personal equipment technicians TDY to Detachment G for 120 days beginning 1 June 1968. Detachment G should provide the necessary funding. This TDY will serve the dual purpose of providing U-2R life support equipment training for the SAC technicians, and provide Detachment G with additional life support manpower during a period of very heavy workload.
